

Shascade Trinity Services (STS) is a program of Shascade Community Services Inc., a private nonprofit agency established in 1960 that provides services to people with developmental and physical disabilities.

All SCS programs provide education, social activities, training, and daily living skills to assist the disabled in their homes and/or work places.

“Serving those with special needs since 1960”

What does Shascade Trinity Services Provide?

Shascade Trinity Services was established in 1993 to provide a community based program for the developmentally disabled residents of Weaverville and the surrounding communities.

Shascade Trinity Services is a day program facility that offers an opportunity to enrich lives within the community, home, and everyday living.
